Community Health Northwest Florida to Resume Drive-through COVID-19 Testing

PENSACOLA, FL – Due to the drastic rise in COVID-19 cases in Escambia and Santa Rosa counties, starting August 2, Community Health Northwest Florida will resume drive-through community testing operations at Brownsville Community Center.

Hours of Operation: Monday, Wednesday and Friday from 9AM – 1PM

Location: Brownsville Community Center

Address: 3200 W. De Soto Street, Pensacola, Florida 32505

Eligibility: All ages

Important Scheduling Information:

- Rapid test: For symptomatic individuals only.
Appointment is required. Call the CHNWF COVID-19 Testing Call Center at 850-390-4276 to be scheduled.
- Send out (PCR) test: For individuals with or without symptoms.
No appointment is necessary. Individuals may drive through at their convenience during regular hours of operation.
- All adult participants will be required to **show photo ID** at time of appointment.
- All adult participants should **wear a face covering** at time of appointment.

Additional information on Community Health Northwest Florida COVID-19 testing is available by calling the Community Health COVID-19 Testing Call Center at 850-390-4276.
