**Community Health Northwest Florida to Offer COVID-19 Booster Clinic**

PENSACOLA, FL – On Saturday, December 18 from 9:00 a.m. to 1:00 p.m., Community Health Northwest Florida, in partnership with Escambia County, will hold a **COVID-19 vaccine clinic** inside Brownsville Community Center for individuals ages 12 and older.

The clinic is open to:

- Individuals 18 and older who have completed their initial COVID-19 vaccine series, including the required wait time, and desire to receive a Pfizer, Moderna or Johnson & Johnson **booster** shot. *These individuals should consult with their healthcare provider regarding the timing of the booster dose.*
- Individuals age 12-17 who wish to receive a first or second (primary series) dose of the Pfizer vaccine;
- Individuals 18 and older who wish to receive a first or second (primary series) dose of the Pfizer, Moderna or Johnson & Johnson (one-dose) vaccine.

Persons wishing to receive a COVID-19 vaccine at this event must call the **Community Health Vaccine Call Center at 850-439-3358** to schedule an appointment.

**IMPORTANT:**

- Participants desiring the COVID-19 booster should bring their COVID-19 vaccination card to their appointment.
- Participants under the age of 18 must be accompanied by a parent or guardian.
- All adult participants will be required to show photo ID at time of appointment.
- Individuals who have tested positive for COVID-19 in the past 14 days *or* have had symptoms of illness (fever, cough, shortness of breath) in the past 14 days ***should not receive the vaccine and should not enter clinic facility.***
- **Individuals who have had the monoclonal antibody infusion treatment should wait at least 90 days before receiving any COVID-19 vaccine.**
