Community Health Northwest Florida to Offer Family Vaccination Clinic

PENSACOLA, FL – On Saturday, January 29, from 9:00 a.m. to 1:00 p.m., Community Health Northwest Florida, in partnership with Escambia County, will hold a Family COVID-19 Vaccination event inside the Brownsville Community Center located at 3200 W. Desoto Street, Pensacola.

Participants will be able to choose from all three FDA approved COVID vaccines (Moderna, Pfizer, Janssen / Johnson & Johnson) at this clinic.

- **Primary series** COVID-19 vaccination will be available for individuals **ages 5 and older**.
- COVID-19 **booster doses** will be available for individuals **ages 12 and older who qualify to receive a booster shot**.

Individuals wishing to receive any of the above COVID vaccines on January 29 must call the **Community Health Vaccine Call Center at 850-439-3358** to schedule an appointment.

IMPORTANT:

- Individuals who have tested positive for COVID-19 in the past 14 days *or* have had symptoms of illness (fever, cough, shortness of breath) in the past 14 days ***should not receive the vaccine and should not enter clinic facility.***
- Participants desiring the COVID-19 booster should bring their COVID-19 vaccination card to their appointment.
- Participants under the age of 18 must be accompanied by a parent or guardian.
- All adult participants will be required to show photo ID at time of appointment.
- Individuals who have had the monoclonal antibody infusion treatment should wait at least 90 days before receiving any COVID-19 vaccine.

Additional information on Community Health Northwest Florida COVID-19 vaccination clinics is available through the **Community Health COVID-19 Vaccine Call Center at 850-439-3358**.
